

MESSAGE FROM FPGI BOARD PRESIDENT

FPDI office will be closed from March 16 to 27, 2020 to ensure the health and safety of FPGI clients and staff is a foremost priority during this time of uncertainty.

FPDI staff will work from home and communicate via email.

We will not be holding in-person meetings but will hold conference calls as necessary.

I would like to reassure SAH's that FPGI will continue to provide services such as direct deposits so there is no interruption to the flow of ISET funding.

FPDI will also continue to provide co-managed communities with payroll and bill payments support.

If you require assistance with LMDA access or ARMS, please email Theresa West: twest@fpdinc.ca.

There also has been some questions about what happens to EI clients when educational institutions suspend classes. ESDC has committed to provide a response. Any ESDC information regarding clients will be emailed to all SAH's as soon as it is received.

If you have other concerns, please email Julie Parenteau: jparenteau@fpdinc.ca who will coordinate with ESDC to get answers.

We will keep you in our thoughts and wish you all good health while we work through this Global pandemic.

Best Regards,

Ethel Anderson

FPDI Board President
